About Playground Grass

Meet the new generation of playground surfaces! Playground Grass by ForeverLawn is lush, beautiful synthetic grass that is safe for kids to play on, soft to fall on, and cost effective. This revolutionary playground surface is ASTM 1292 safety rated to fall heights of 12 feet, is ADA accessible, and has antimicrobial protection available for a cleaner, safer environment.

What sets Playground Grass apart from the rest?

Superior Drainage

Playground Grass drains efficiently at a rate exceeding 30 inches of rain per hour.

Flammability Safety

With passing grades on both pill flammability and radiant panel testing, Playground Grass provides exceptional fire safety.

Fade Resistance

Effective UV protection in Playground Grass resists fading for a beautiful appearance year after year.

Maximum Durability

ForeverLawn developed the Playground Grass products using the **XP Blade** for extreme durability in high traffic areas.

Effective Nylon Thatch

The strong nylon fibers in the Playground Grass thatch zone provide additional support to the taller blades and lock infill in place keeping it away from children.

Complete architectural specifications are available at playgroundgrass.com and caddetails.com.
